

Index to Descriptions and Photo Gallery

The **Index** provides a list of species, by common and scientific name, included in the **Descriptions** <<https://newfoundland-labradorflora.ca/descriptions/>> and **Photo Gallery** <<https://newfoundland-labradorflora.ca/gallery/index.cfm?ParentID=15>> sections of the *Flora of Newfoundland and Labrador* website. Only the most frequently used common names and currently accepted scientific names are included in this list; additional common names and synonyms (previously used scientific names) are presented in the **Checklist** <<https://newfoundland-labradorflora.ca/checklist/>>.

Common Name Index

alderleaf buckthorn – see *Endotropis alnifolia*, in Descriptions
alpine campion – see *Viscaria alpina*, in Photo Gallery
alpine clubrush – see *Trichophorum alpinum*, in Photo Gallery
alpine milkvetch – see *Astragalus alpinus*, in Photo Gallery
alternateleaf dogwood – see *Cornus alternifolia*, in Descriptions
American mountain ash – see *Sorbus americana*, in Descriptions
ant's-eggs – see *Gaultheria hispidula*, in Photo Gallery
bakeapple – see *Rubus chamaemorus*, in Descriptions
balsam fir – see *Abies balsamea*, in Descriptions
balsam poplar – see *Populus balsamifera*, in Descriptions
balsam willow – see *Salix pyrifolia*, in Photo Gallery
Bartram's chucklepear – see *Amelanchier bartramiana*, in Photo gallery
beaked hazelnut – see *Corylus cornuta*, in Descriptions
bearberry willow – see *Salix uva-ursi*, in Photo Gallery
beautiful willow – see *Salix glauca* var. *cordifolia*, in Photo Gallery
Bebb's willow – see *Salix bebbiana*, in Photo Gallery
black ash – see *Fraxinus nigra*, in Descriptions
black spruce – see *Picea mariana*, in Descriptions
bladder sedge – see *Carex intumescens*, in Photo Gallery
blueflag iris – see *Iris versicolor*, in Photo Gallery
bluntleaf orchid – see *Platanthera obtusata*, in Photo Gallery
bog laurel – see *Kalmia polifolia*, in Photo Gallery
bog willow – see *Salix pedicellaris*, in Photo Gallery
bracken fern – see *Pteridium aquilinum*, in Photo Gallery
bristly black currant – see *Ribes lacustre*, in Descriptions
bristly clubmoss – see *Spinulum annotinum*, in Photo Gallery
bunchberry – see *Cornus canadensis*, in Descriptions
Burnt Cape cinquefoil – see *Potentilla pulchella*, in Photo Gallery
Canada anemone – see *Anemonastrum canadense*, in Photo Gallery
Canada yew – see *Taxus canadensis*, in Descriptions
Chamisso's arnica – see *Arnica chamissonis*, in Photo Gallery
chestnut sedge – see *Carex castanea*, in Photo Gallery

chokecherry – see *Prunus virginiana*, in Descriptions
cinnamon fern – see *Osmundastrum cinnamomeum*, in Photo Gallery
claspingleaf twisted-stalk – see *Streptopus amplexifolius*, in Photo Gallery
cloudberry – see *Rubus chamaemorus*, in Descriptions
coltsfoot – see *Tussilago farfara*, in Photo Gallery
common bearberry – see *Arctostaphylos uva-ursi*, in Photo Gallery
cottongrass – see *Eriophorum* species, in Photo Gallery
cottony willow – see *Salix eriocephala*, in Photo Gallery
crackerberry – see *Cornus canadensis*, in Descriptions
creeping snowberry – see *Gaultheria hispidula*, in Photo Gallery
cow parsnip – see *Heracleum maximum*, in Photo Gallery
deergrass – see *Trichophorum cespitosum*, in Photo Gallery
dewberry – see *Rubus pubescens*, in Descriptions
dog rose – see *Rosa canina*, in Photo Gallery
drooping woodland sedge – see *Carex arctata*, in Photo Gallery
dryleaf sandwort – see *Cherleria marcescens*, in Photo Gallery
eastern teaberry – see *Gaultheria procumbens*, in Photo Gallery
encrusted saxifrage – see *Saxifraga paniculata* subs. *laestadii*, in Photo Gallery
Fraser's marsh St. Johnswort – see *Triadenum fraseri*, in Photo Gallery
garden monkshood – see *Aconitum napellus*, in Photo Gallery
dragon's mouth – see *Arethusa bulbosa*, in Photo Gallery
dwarf hawksbeard – see *Askellia pygmaea*, in Photo Gallery
elegant milkvetch – see *Astragalus eucosmus*, in Photo Gallery
entireleaf mountain avens – see *Dryas integrifolia*, in Photo Gallery
European larch – see *Larix decidua*, in Descriptions
fairy slipper – see *Calypso bulbosa*, in Photo Gallery
feathery false Solomon's seal – see *Maianthemum racemosum*, in Photo Gallery
Fernald's braya – see *Braya fernaldii*, in Photo Gallery
field horsetail – see *Equisetum arvense*, in Photo Gallery
fireweed – see *Chamaenerion angustifolium*, in Photo Gallery
fragrant bedstraw – see *Galium triflorum*, in Descriptions
fragrant waterlily – see *Nymphaea odorata*, in Photo Gallery
frog orchid – see *Coeloglossum viride*, in Photo Gallery
ghost pipe – see *Monotropa uniflora*, in Photo Gallery
golden sedge – see *Carex aurea*, in Photo Gallery
goldthread – see *Coptis trifolia*, in Descriptions
goowiddy – see *Kalmia angustifolia*, in Descriptions
grass pink – see *Calopogon tuberosus*, in Photo Gallery
green alder – see *Alnus alnobetula* subsp. *crispa*, in Descriptions
green spleenwort – see *Asplenium viride*, in Photo Gallery
greyleaf raspberry – see *Rubus idaeus* subsp. *strigosus*, in Descriptions
ground hemlock – see *Taxus canadensis*, in Descriptions
ground juniper – see *Juniperus communis* var. *depressa*, in Photo Gallery
hairy willow – see *Salix vestita*, in Photo Gallery

hare's tail – see *Eriophorum vaginatum* subsp. *spissum*, in Photo Gallery
harebell – see *Campanula gieseckeana*, in Photo Gallery
heartleaf birch – see *Betula cordifolia*, in Descriptions
heartleaf twayblade – see *Neottia cordata*, in Photo Gallery
heartleaf willow – see *Salix cordata*, in Photo Gallery
highbush cranberry – see *Viburnum trilobum*, in Descriptions
hoary willow – see *Salix candida*, in Photo Gallery
Hooker's orchid – see *Platanthera hookeri*, in Photo Gallery
horsetails – see *Equisetum* species, in Photo Gallery
interrupted fern – see *Claytosmunda claytoniana*, in Photo Gallery
island gentian – see *Gentianopsis detonsa* subsp. *nesophila*, in Photo Gallery
jack pine – see *Pinus banksiana*, in Descriptions
Japanese larch – see *Larix kaempferi*, in Descriptions
'juniper' – see *Larix laricina*, in Descriptions
kidneyleaf crowfoot – see *Ranunculus abortivus*, in Photo Gallery
kidneyleaf violet – see *Viola renifolia*, in Photo Gallery
Labrador sea thrift – see *Armeria maritima* subsp. *sibirica*, in Photo Gallery
Labrador tea – see *Rhododendron groenlandicum*, in Descriptions
Labrador violet – see *Viola labradorica*, in Photo Gallery
Labrador willow – see *Salix argyrocarpa*, in Photo Gallery
lady's slipper orchids – see *Cypripedium*, in Descriptions and Photo Gallery
lanceleaf violet – see *Viola lanceolata*, in Photo Gallery
Lapland diaspensia – see *Diapensia lapponica*, in Photo Gallery
larch – see *Larix laricina*, in Descriptions
large purple fringed orchid – see *Platanthera grandiflora*, in Photo Gallery
large pussy willow – see *Salix discolor*, in Photo Gallery
large yellow lady's slipper – see *Cypripedium parviflorum* var. *pubescens*, in Photo Gallery
leatherleaf – see *Chamaedaphne calyculata*, in Photo Gallery
leopard marsh orchid – see *Dactylorhiza praetermissa* var. *junialis*, in Photo Gallery
limestone willow – see *Salix calcicola*, in Photo Gallery
lingonberry – see *Vaccinium vitis-idaea*, in Photo Gallery
Long's braya – see *Braya longii*, in Photo Gallery
longbeak willow – see *Salix bebbiana*, in Photo Gallery
lowbush blueberry – see *Vaccinium angustifolium*, in Descriptions
marsh blue violet – see *Viola cucullata*, in Photo Gallery
marsh cinquefoil – see *Comarum palustre*, in Photo Gallery
marsh marigold – see *Caltha palustris*, in Descriptions
May flower – see *Epigaea repens*, in Photo Gallery
moccasin flower – see *Cypripedium acaule*, in Descriptions
moss campion – see *Silene acaulis*, in Photo Gallery
mountain alder – see *Alnus alnobetula* subsp. *crispa*, in Descriptions
mountain holly – see *Ilex mucronata*, in Descriptions
mountain maple – see *Acer spicatum*, in Descriptions
multiflora rose – see *Rosa multiflora*, in Photo Gallery

naked broomrape – see *Aphyllon uniflorum*, in Photo Gallery
narrowleaf cottongrass – see *Eriophorum angustifolium*, in Photo Gallery
netvein willow – see *Salix reticulata*, in Photo Gallery
Newfoundland harebell – see *Campanula gieseckeana*, in Photo Gallery
Newfoundland oxytrope – see *Oxytropis campestris* var. *minor*, in Photo Gallery
nodding trillium – see *Trillium cernuum*, in Photo Gallery
northern anemone – see *Anemone parviflora*, in Photo Gallery
northern blueberry – see *Vaccinium boreale*, in Descriptions
northern bog violet – see *Viola nephrophylla*, in Photo Gallery
northern comandra – see *Geocaulon lividum*, in Photo Gallery
northern gooseberry – see *Ribes hirtellum*, in Descriptions
northern white violet – see *Viola macloskeyi*, in Photo Gallery
northern wild raisin – see *Viburnum cassinoides*, in Descriptions
northern willow – see *Salix arctophila*, in Photo Gallery
oneflower wintergreen – see *Moneses uniflora*, in Photo Gallery
ostrich fern – see *Matteuccia struthiopteris*, in Photo Gallery
ovalleaf bilberry – see *Vaccinium ovalifolium*, in Descriptions
palmate sweet coltsfoot – see *Petasites frigidus* var. *palmatus*, in Photo Gallery
paper birch – see *Betula papyrifera*, in Descriptions
partridgeberry – see *Vaccinium vitis-idaea*, in Photo Gallery
pin cherry – see *Prunus pensylvanica*, in Descriptions
pine – see *Pinus* species in Descriptions
pinesap – see *Hypopitys monotropa*, in Photo Gallery
pink ladyslipper – see *Cypripedium acaule*, in Descriptions
pink pyrola – see *Pyrola asarifolia*, in Photo Gallery
pipsissewa – see *Chimaphila umbellata*, in Descriptions
pitcher plant – see *Sarracenia purpurea*, in Photo Gallery
plumboy – see *Rubus arcticus* subsp. *acaulis*, in Photo Gallery
poisonberry – see *Clintonia borealis*, in Descriptions
purple mountain saxifrage – see *Saxifraga oppositifolia*, in Photo Gallery
purplestem angelica – see *Angelica atropurpurea*, in Photo Gallery
ragged fringed orchid – see *Platanthera lacera*, in Photo Gallery
red baneberry – see *Actaea rubra*, in Descriptions
red elderberry – see *Sambucus racemosa* var. *pubens*, in Descriptions
red maple – see *Acer rubrum*, in Descriptions
red pine – see *Pinus resinosa*, in Descriptions
red spruce – see *Picea rubens*, in Descriptions
red-osier dogwood – see *Cornus sericea*, in Descriptions
redberry – see *Vaccinium vitis-idaea*, in Photo Gallery
rhodora – see *Rhododendron canadense*, in Photo Gallery
river beauty – see *Chamaenerion latifolium*, in Photo Gallery
rock willow – see *Salix vestita*, in Photo Gallery
rose – see *Rosa* species, in Photo Gallery
rose twisted-stalk – see *Streptopus lanceolatus*, in Photo Gallery

rough cottongrass – see *Eriophorum tenellum*, in Photo Gallery
roundleaf pyrola – see *Pyrola americana*, in Photo Gallery
rugosa rose – see *Rosa rugosa*, in Photo Gallery
russet cottongrass – see *Eriophorum russeolum*, in Photo Gallery
satiny willow – see *Salix pellita*, in Photo Gallery
scabrous black sedge – see *Carex atratiformis*, in Photo Gallery
scentbottle – see *Platanthera dilatata*, in Photo Gallery
Scheuchzer's cottongrass – see *Eriophorum scheuchzeri*, in Photo Gallery
seabeach groundsel – see *Senecio pseudoarnica*, in Photo Gallery
seabeach sandwort – see *Honckenya peploides*, in Photo Gallery
sedges – see *Carex* species, in Photo Gallery
Selkirk's violet – see *Viola selkirkii*, in Photo Gallery
sensitive fern – see *Onoclea sensibilis*, in Photo Gallery
serpentine sandwort – see *Cherleria marcescens*, in Photo Gallery
sheep laurel – see *Kalmia angustifolia*, in Descriptions
shining firmoss – see *Huperzia lucidula*, in Photo Gallery
shining rose – see *Rosa nitida*, in Photo Gallery
shining willow – see *Salix lucida*, in Photo Gallery
showy ladyslipper – see *Cypripedium reginae*, in Descriptions
showy mountain ash – see *Sorbus decora*, in Descriptions
shrubby cinquefoil – see *Dasiphora fruticosa*, in Photo Gallery
silverweed – see *Potentilla anserina*, in Photo Gallery
skunk currant – see *Ribes glandulosum*, in Descriptions
small purple fringed orchid – see *Platanthera psycodes*, in Photo Gallery
small-flower anemone – see *Anemone parviflora*, in Photo Gallery
snowbed willow – see *Salix herbacea*, in Photo Gallery
southern marsh orchid – see *Dactylorhiza praetermissa* var. *praetermissa*, in Photo Gallery
speckled alder – see *Alnus incana* subsp. *rugosa*, in Descriptions
spotted coralroot – see *Corallorhiza maculata*, in Photo Gallery
spruce – see *Picea* species, in Descriptions
squashberry – see *Viburnum edule*, in Descriptions
starflower – see *Trientalis borealis*, in Descriptions
strand wheat – see *Leymus mollis*, in Photo Gallery
swamp gooseberry – see *Ribes hirtellum*, in Descriptions
swamp red currant – see *Ribes triste*, in Descriptions
sweet white violet – see *Viola blanda*, in Photo Gallery
sweetgrass – see *Anthoxanthum nitens*, in Photo Gallery
tall buttercup – see *Ranunculus acris*, in Photo Gallery
tall white bog orchid – see *Platanthera dilatata*, in Photo Gallery
tamarack – see *Larix laricina*, in Descriptions
tawny cottongrass – see *Eriophorum virginicum*, in Photo Gallery
tealeaf willow – see *Salix planifolia*, in Photo Gallery
Tilt Cove orchid – see *Dactylorhiza praetermissa* var. *praetermissa*, in Photo Gallery
Timmins orchid – see *Dactylorhiza praetermissa* var. *junialis*, in Photo Gallery

trailing arbutus – see *Epigaea repens*, in Photo Gallery
trembling aspen – see *Populus tremuloides*, in Descriptions
twinlineer – see *Linnaea borealis*, in Descriptions
upland willow – see *Salix humilis*, in Photo Gallery
'var' – see *Abies balsamea*, in Descriptions
velvetleaf blueberry – see *Vaccinium myrtilloides*, in Descriptions
violet – see *Viola* species, in Photo Gallery
Virginia rose – see *Rosa virginiana*, in Photo Gallery
white birch – see *Betula papyrifera*, in Descriptions
white fringed orchid – see *Platanthera blephariglottis*, in Photo Gallery
white pine – see *Pinus strobus*, in Descriptions
white spruce – see *Picea glauca*, in Descriptions
wild calla – see *Calla palustris*, in Photo Gallery
wild lily-of-the-valley – see *Maianthemum canadense*, in Photo Gallery
wild red raspberry – see *Rubus idaeus* subsp. *strigosus*, in Descriptions
wild sarsaparilla – see *Aralia nudicaulis*, in Descriptions
willow – see *Salix* species, in Photo Gallery
wood sorrel – see *Oxalis montana*, in Descriptions
woodland horsetail – see *Equisetum sylvaticum*, in Photo Gallery
woolly blue violet – see *Viola sororia*, in Photo Gallery
woolly heather – see *Hudsonia tomentosa*, in Photo Gallery
yellow berry – see *Rubus chamaemorus*, in Descriptions
yellow birch – see *Betula alleghaniensis*, in Descriptions
yellow clintonia – see *Clintonia borealis*, in Descriptions
yellow mountain saxifrage – see *Saxifraga aizoides*, in Photo Gallery
yellow pond lily – see *Nuphar variegata*, in Photo Gallery
yellow sedge – see *Carex flava*, in Photo Gallery

Scientific Name Index

Abies balsamea (balsam fir, 'var') – see Descriptions
Acer rubrum (red maple) – see Descriptions
Acer spicatum (mountain maple) – see Descriptions
Aconitum napellus (garden monkshood) – see Photo Gallery
Actaea rubra (red baneberry) – see Descriptions
Alnus alnobetula subsp. *crispa* (mountain alder, green alder) – see Descriptions
Alnus incana subsp. *rugosa* (speckled alder) – see Descriptions
Amelanchier bartramiana (Bartram's chuckleyppear) – see Photo gallery
Anemonastrum canadense (Canada anemone) – see Photo Gallery
Anemone parviflora (northern anemone, small-flower anemone) – see Photo Gallery
Angelica atropurpurea (purplestem angelica) – see Photo Gallery
Anthoxanthum nitens (sweetgrass) – see Photo Gallery
Aphyllon uniflorum (naked broomrape) – see Photo Gallery

Aralia nudicaulis (wild sarsaparilla) – see Descriptions
Arctostaphylos uva-ursi (common bearberry) – see Photo Gallery
Arethusa bulbosa (dragon's mouth) – see Photo Gallery
Armeria maritima subsp. *sibirica* (Labrador sea thrift) – see Photo Gallery
Arnica chamissonis (Chamisso's arnica) – see Photo Gallery
Askellia pygmaea (dwarf hawksbeard) – see Photo Gallery
Asplenium viride (green spleenwort) – see Photo Gallery
Astragalus alpinus (alpine milkvetch) – see Photo Gallery
Astragalus eucosmus (elegant milkvetch) – see Photo Gallery
Betula alleghaniensis (yellow birch) – see Descriptions
Betula cordifolia (heartleaf birch) – see Descriptions
Betula papyrifera (paper birch, white birch) – see Descriptions
Braya fernaldii (Fernald's braya) – see Photo Gallery
Braya longii (Long's braya) – see Photo Gallery
Calla palustris (wild calla) – see Photo Gallery
Calopogon tuberosus (grass pink) – see Photo Gallery
Caltha palustris (marsh marigold) – see Descriptions
Calypso bulbosa (fairy slipper) – see Photo Gallery
Campanula gieseckeana (Newfoundland harebell) – see Photo Gallery
Carex arctata (drooping woodland sedge) – see Photo Gallery
Carex atratiformis (scabrous black sedge) – see Photo Gallery
Carex aurea (golden sedge) – see Photo Gallery
Carex castanea (chestnut sedge) – see Photo Gallery
Carex flava (yellow sedge) – see Photo Gallery
Carex intumescens (bladder sedge) – see Photo Gallery
Chamaedaphne calyculata (leatherleaf) – see Photo Gallery
Chamaenerion angustifolium (fireweed) – see Photo Gallery
Chamaenerion latifolium (river beauty) – see Photo Gallery
Cherleria marcescens (dryleaf sandwort, serpentine sandwort) – see Photo Gallery
Chimaphila umbellata (pipsissewa) – see Descriptions
Claytosmunda claytoniana (interrupted fern) – see Photo Gallery
Clintonia borealis (yellow clintonia, poisonberry) – see Descriptions
Coeloglossum viride (frog orchid) – see Photo Gallery
Comarum palustre (marsh cinquefoil) – see Photo Gallery
Coptis trifolia (goldthread) – see Descriptions
Corallorhiza maculata (spotted coralroot) – see Photo Gallery
Cornus alternifolia (alternateleaf dogwood) – see Descriptions
Cornus canadensis (bunchberry, crackerberry) – see Descriptions
Cornus sericea (red-osier dogwood) – see Descriptions
Corylus cornuta (beaked hazelnut) – see Descriptions
Cypripedium acaule (pink ladyslipper, moccasin flower) – see Descriptions
Cypripedium reginae (showy ladyslipper) – see Descriptions
Cypripedium parviflorum var. *pubescens* (large yellow ladyslipper) – see Photo Gallery
Dactylorhiza praetermissa var. *junialis* (leopard marsh orchid) – see Photo Gallery

Dactylorhiza praetermissa var. *praetermissa* (Tilt Cove orchid, southern marsh orchid) –see Photo Gallery

Dasiphora fruticosa (shrubby cinquefoil) –see Photo Gallery

Diapensia lapponica (Lapland diapensia) –see Photo Gallery

Dryas integrifolia (entireleaf mountain avens) –see Photo Gallery

Endotropis alnifolia (alderleaf buckthorn) –see Descriptions

Epigaea repens (trailing arbutus, May flower) –see Photo Gallery

Equisetum arvense (field horsetail) –see Photo Gallery

Equisetum sylvaticum (woodland horsetail) –see Photo Gallery

Eriophorum angustifolium (narrowleaf cottongrass) –see Photo Gallery

Eriophorum russeolum (russet cottongrass) –see Photo Gallery

Eriophorum scheuchzeri (Scheuchzer's cottongrass) –see Photo Gallery

Eriophorum tenellum (rough cottongrass) –see Photo Gallery

Eriophorum vaginatum subsp. *spissum* (hare's tail) –see Photo Gallery

Eriophorum virginicum (tawny cottongrass) –see Photo Gallery

Fraxinus nigra (black ash) –see Descriptions

Galium triflorum (fragrant bedstraw) –see Descriptions

Gaultheria hispidula (creeping snowberry, ant's-eggs) –see Photo Gallery

Gaultheria procumbens (eastern teaberry) –see Photo Gallery

Gentianopsis detonsa subsp. *nesophila* (island gentian) –see Photo Gallery

Geocaulon lividum (northern comandra) –see Photo Gallery

Heracleum maximum (cow parsnip) –see Photo Gallery

Honckenya peploides (seabeach sandwort) –see Photo Gallery

Hudsonia tomentosa (woolly heather) –see Photo Gallery

Huperzia lucidula (shining firmoss) –see Photo Gallery

Hypopitys monotropa (pinesap) –see Photo Gallery

Ilex mucronata (mountain holly) –see Descriptions

Iris versicolor (blueflag iris) –see Photo Gallery

Juniperus communis var. *depressa* (ground juniper) –see Photo Gallery

Kalmia angustifolia (sheep laurel, goowiddy) –see Descriptions

Kalmia polifolia (bog laurel) –see Photo Gallery

Larix decidua (European larch) –see Descriptions

Larix kaempferi (Japanese larch) –see Descriptions

Larix laricina (larch, tamarack, 'juniper') –see Descriptions

Leymus mollis (strand wheat) –see Photo Gallery

Linnaea borealis (twinflor) –see Descriptions

Maianthemum canadense (wild lily-of-the-valley) –see Photo Gallery

Maianthemum racemosum (feathery false Solomon's seal) –see Photo Gallery

Matteuccia struthiopteris (ostrich fern) –see Photo Gallery

Moneses uniflora (oneflower wintergreen) –see Photo Gallery

Monotropa uniflora (ghost pipe) –see Photo Gallery

Neottia cordata (heartleaf twayblade) –see Photo Gallery

Nuphar variegata (yellow pond lily) –see Photo Gallery

Nymphaea odorata (fragrant waterlily) –see Photo Gallery

Onoclea sensibilis (sensitive fern) –see Photo Gallery
Osmundastrum cinnamomeum (cinnamon fern) –see Photo Gallery
Oxalis montana (wood sorrel) –see Descriptions
Oxytropis campestris var. *minor* (Newfoundland oxytrope) –see Photo Gallery
Petasites frigidus var. *palmatus* (palmate sweet coltsfoot) –see Photo Gallery
Picea glauca (white spruce) –see Descriptions
Picea mariana (black spruce) –see Descriptions
Picea rubens (red spruce) –see Descriptions
Pinus banksiana (jack pine) – Descriptions
Pinus resinosa (red pine) –see Descriptions
Pinus strobus (white pine) –see Descriptions
Platanthera blephariglottis (white fringed orchid) –see Photo Gallery
Platanthera dilatata (scentbottle, tall white bog orchid) –see Photo Gallery
Platanthera grandiflora (large purple fringed orchid) –see Photo Gallery
Platanthera hookeri (Hooker's orchid) –see Photo Gallery
Platanthera lacera (ragged fringed orchid) –see Photo Gallery
Platanthera obtusata (bluntleaf orchid) –see Photo Gallery
Platanthera psycodes (small purple fringed orchid) –see Photo Gallery
Populus balsamifera (balsam poplar) –see Descriptions
Populus tremuloides (trembling aspen) –see Descriptions
Potentilla anserina (silverweed) –see Photo Gallery
Potentilla pulchella (Burnt Cape cinquefoil) –see Photo Gallery
Prunus pennsylvanica (pin cherry) –see Descriptions
Prunus virginiana (chokecherry) –see Descriptions
Pteridium aquilinum (bracken fern) –see Photo Gallery
Pyrola americana (roundleaf pyrola) –see Photo Gallery
Pyrola asarifolia (pink pyrola) –see Photo Gallery
Ranunculus abortivus (kidneyleaf crowfoot) –see Photo Gallery
Ranunculus acris (tall buttercup) –see Photo Gallery
Rhododendron canadense (rhodora) –see Photo Gallery
Rhododendron groenlandicum (Labrador tea) –see Descriptions
Ribes glandulosum (skunk currant) –see Descriptions
Ribes hirtellum (swamp gooseberry, northern gooseberry) –see Descriptions
Ribes lacustre (bristly black currant) –see Descriptions
Ribes triste (swamp red currant) –see Descriptions
Rosa canina (dog rose) –see Photo Gallery
Rosa multiflora (multiflora rose) –see Photo Gallery
Rosa nitida (shining rose) –see Photo Gallery
Rosa rugosa (rugosa rose) –see Photo Gallery
Rosa virginiana (Virginia rose) –see Photo Gallery
Rubus arcticus subsp. *acaulis* (plumboy) –see Photo Gallery
Rubus chamaemorus (bakeapple, cloudberry, yellow berry) –see Descriptions
Rubus idaeus subsp. *strigosus* –(wild red raspberry, greyleaf raspberry) –see Descriptions
Rubus pubescens (dewberry) –see Descriptions

Salix arctophila (northern willow) –see Photo Gallery
Salix argyrocarpa (Labrador willow) –see Photo Gallery
Salix bebbiana (Bebb's willow, longbeak willow) –see Photo Gallery
Salix calcicola (limestone willow) –see Photo Gallery
Salix candida (hoary willow) –see Photo Gallery
Salix cordata (heartleaf willow) –see Photo Gallery
Salix discolor (large pussy willow) –see Photo Gallery
Salix eriocephala (cottony willow) –see Photo Gallery
Salix glauca var. *cordifolia* (beautiful willow) –see Photo Gallery
Salix herbacea (snowbed willow) –see Photo Gallery
Salix humilis (upland willow) –see Photo Gallery
Salix lucida (shining willow) –see Photo Gallery
Salix pedicellaris (bog willow) –see Photo Gallery
Salix pellita (satiny willow) –see Photo Gallery
Salix planifolia (tealeaf willow) –see Photo Gallery
Salix pyrifolia (balsam willow) –see Photo Gallery
Salix reticulata (netvein willow) –see Photo Gallery
Salix uva-ursi (bearberry willow) –see Photo Gallery
Salix vestita (hairy willow, rock willow) –see Photo Gallery
Sambucus racemosa var. *pubens* (red elderberry) –see Descriptions
Sarracenia purpurea (pitcher plant) –see Photo Gallery
Saxifraga aizoides (yellow mountain saxifrage) –see Photo Gallery
Saxifraga oppositifolia (purple mountain saxifrage) –see Photo Gallery
Saxifraga paniculata subsp. *laestadii* (encrusted saxifrage) –see Photo Gallery
Senecio pseudoarnica (seabeach groundsel) –see Photo Gallery
Silene acaulis (moss campion) –see Photo Gallery
Sorbus americana (American mountain ash) –see Descriptions
Sorbus decora (showy mountain ash) –see Descriptions
Spinulum annotinum (bristly clubmoss) –see Photo Gallery
Streptopus amplexifolius (claspingleaf twisted-stalk) –see Photo Gallery
Streptopus lanceolatus (rose twisted-stalk) –see Photo Gallery
Taxus canadensis (Canada yew, ground hemlock) –see Descriptions
Triadenum fraseri (Fraser's marsh St. Johnswort) –see Photo Gallery
Trichophorum alpinum (alpine clubrush) –see Photo Gallery
Trichophorum cespitosum (deergrass) –see Photo Gallery
Trientalis borealis (starflower) –see Descriptions
Trillium cernuum (nodding trillium) –see Photo Gallery
Tussilago farfara (coltsfoot) –see Photo Gallery
Vaccinium angustifolium (lowbush blueberry) –see Descriptions
Vaccinium boreale (northern blueberry) –see Descriptions
Vaccinium myrtilloides (velvetleaf blueberry) –see Descriptions
Vaccinium ovalifolium (ovalleaf bilberry) –see Descriptions
Vaccinium vitis-idaea (partridgeberry, lingonberry, redberry) –see Photo Gallery
Viburnum cassinoides (northern wild raisin) –see Descriptions

Viburnum edule (squashberry) – see Descriptions
Viburnum trilobum (highbush cranberry) – see Descriptions
Viola blanda (sweet white violet) – see Photo Gallery
Viola cucullata (marsh blue violet) – see Photo Gallery
Viola labradorica (Labrador violet) – see Photo Gallery
Viola lanceolata (lanceleaf violet) – see Photo Gallery
Viola macloskeyi (northern white violet) – see Photo Gallery
Viola nephrophylla (northern bog violet) – see Photo Gallery
Viola renifolia (kidneyleaf violet) – see Photo Gallery
Viola selkirkii (Selkirk's violet) – see Photo Gallery
Viola sororia (woolly blue violet) – see Photo Gallery
Viscaria alpina (alpine campion) – in Photo Gallery
